

Sandhurst Parish Council

CORONAVIRUS - EXTENDED LOCK DOWN **WHO TO CONTACT FOR HELP AND SUPPORT**

Sandhurst has always been a supportive place to live and during the current situation this is being demonstrated by the Parish Council working closely with Helping Hands to support residents who need help or assistance.

Helping Hands is a local neighbourhood support group and together we are working with a group of volunteers many of whom are already helping people in the village with shopping, collecting medication and other requests.

- If you have already contact with Helping Hands, there is no need to do so again.
- If you need help or assistance because of the extended lock down period please telephone us on either 01580 850312 or 01580 851084 or send an email to helpinghands@sandhurstkent.co.uk or visit www.stnicholassandhurst.org.

Please remember you can also contact

KENT TOGETHER

03000 41 92 92
