PLANNING DECISION NOTICE

APPLICANT:	Mr Glenn Curtis
DEVELOPMENT TYPE:	Minor Dwellings
APPLICATION REFERENCE:	22/02601/FULL
PROPOSAL:	Retrospective application for the retention of an unauthorised dormer, along with other unauthorised internal and external changes (as changes to previous approved plans pursuant to 18/03640/FULL), on the detached outbuilding which is to also be used as a self-contained annexe
ADDRESS:	Apple Barn, Back Road, Sandhurst, Cranbrook, Kent, TN18 5JS

The Council hereby **GRANTS** permission/consent for the proposal referred to above subject to the following Condition(s):

- (1) The development hereby permitted shall be carried out in accordance with the following approved plans:

Drawing No.: 09 - Site Location and Block Plan
Drawing No.: 08 - Existing Plans and Elevations

Reason: To clarify which plans have been approved.

- (2) The development shall be carried out in accordance with the details of external materials specified in the application which shall not be varied without the prior written permission of the Local Planning Authority.

Reason: In the interests of visual amenity.

- (3) The annexe hereby approved shall only be used for accommodation ancillary to Apple Barn and for no other purpose (including any other purpose in Class C Schedule to the Town and Country Planning (Use Classes) Order 1987 or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification). For the avoidance of doubt the premises shall not be used at any time as a sole and principal residence by any occupants, and the premises shall not be used as a second home by any person.

Reason: To preclude the use of the premises for independent residential purposes in the interests of sustainable planning in the countryside.

Informative(s):

- (1) As the development involves demolition and / or construction, it is recommended that the applicant is supplied with the Mid Kent Environmental Code of Development Practice. Compliance with this document is expected.

The Council's approach to this application:

In accordance with paragraph 38 of the National Planning Policy Framework (NPPF), the Council takes a positive and proactive approach to development proposals focused on solutions. We work with applicants/agents in a positive and proactive manner by:

- Offering pre-application advice.
- Where possible, suggesting solutions to secure a successful outcome.
- As appropriate, updating applicants/agents of any issues that may arise in the processing of their application.

In this instance:

- The applicant/agent was advised of minor changes required to the application and these were agreed.

Carlos Hone
Head of Planning
Tunbridge Wells Borough Council

IMPORTANT: YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES

NOTIFICATION TO APPLICANT FOLLOWING REFUSAL OF CONSENT OR GRANT OF CONSENT SUBJECT TO CONDITIONS

Appeals to the Secretary of State

If you are aggrieved by the decision of your local planning authority (LPA) to refuse permission for the proposed development, or to grant it subject to Conditions, then you can appeal to the Secretary of State (SoS) under the Town and Country Planning Act 1990, the Planning (Listed Buildings and Conservation Areas) Act 1990 or Control of Advertisements Regulations 1989.

Please see “Development Type” on page 1 of the decision notice to identify which type of appeal is relevant for the following:

- If this is a decision to refuse planning permission for a Householder application or a Minor Commercial application and you want to appeal the decision, or any of the conditions imposed, then you must do so within 12 weeks of the date of this notice.
- In all other cases, you will need to submit your appeal against the decision, or any of the conditions imposed, within 6 months of the date of this notice.

For applications relating to Enforcement Notices:

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice and if you want to appeal against the decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is subsequently served and relates to the same or substantially the same land and development and if you want to appeal against the decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder or minor commercial application decision] of the date of this notice, whichever period expires earlier.

Appeals must be made to the Planning Inspectorate and further details can be found at <https://www.planningportal.co.uk/info/200207/appeals>.

The SoS can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The SoS need not consider an appeal if it seems to the SoS that the LPA could not have granted advertisement consent for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

SGN Advisory note

There are a number of risks created by built over gas mains and services; these are:

1. Pipework loading – pipes are at risk from loads applied by the new structure and are more susceptible to interference damage.
2. Gas entry into buildings – pipework proximity increases risk of gas entry in buildings.
3. Leaks arising from previous external pipework able to track directly into main building from unsealed entry.
4. Occupier safety – lack or no fire resistance of pipework, fittings, or meter installation.
5. Means of escape could be impeded by an enclosed meter.

Please note therefore, if you plan to dig, or carry out building work to a property, site, or public highway within our gas network, you must:

1. Check your proposals against the information held at <https://www.linerearchbeforeudig.co.uk/> to assess any risk associated with your development **and**
2. Contact our Plant Protection team to let them know. Plant location enquiries must be made via email, but you can phone us with general plant protection queries. See our contact details below:

Phone 0800 912 1722 / Email plantlocation@sgn.co.uk

In the event of an overbuild on our gas network, the pipework must be altered, you may be temporarily disconnected, and your insurance may be invalidated.

Further information on safe digging practices can be found here:

<https://www.sgn.co.uk/damage-prevention>

Our free Damage Prevention e-Learning only takes 10-15 minutes to complete and highlights the importance of working safely near gas pipelines, giving clear guidance on what to do and who to contact before starting any work
