<p>4.</p>	<p>Councillor intervention</p> <p>Cllr Ellen Neville: Candidates for the borough election have been confirmed: there will be 13 people standing, representing various parties, in this new, enlarged ward.</p> <p>TW Planning Investigations have issued their decision on the Lord's Wood matter regarding the removal of the hedgerow and the high fencing. In summary, they found that (i) although the fences are too high, they are not deemed unattractive because you can see through them; (ii) re removal of the hedgerow, having looked at pictures over the last 10 years which did not identify any trees, the hedgerow was not a "historical hedgerow". The case is now closed and there will be no further action.</p> <p>At the full council meeting last week, the Community Safety Partnership plan was approved. This will cover some new priorities including domestic abuse, antisocial behaviour, substance misuse, alcohol abuse, road safety, violence, stalking and harassment, violence against women and girls, and youth anti-social behaviour.</p> <p>Cllr Godfrey Bland: At the full council meeting last week most of the time was spent tidying up the Council's Constitution to take account of the reduction of councillors from 48 to 39.</p> <p>This was Godfrey's last meeting with the Parish Council as the Borough Councillor, and the Parish Council thanked him for all his help, support, and service over his time as Borough Councillor, which was much appreciated.</p>
<p>5.</p>	<p>Finance and accounts</p> <p><u>Accounts</u> To approve accounts retrospectively for payment from 1 March 2024 to 31 March 2024. To receive details of receipts 1 March 2024 to 31 March 2024.</p> <ul style="list-style-type: none"> • DR proposed to agree payments and receipts for March; PP seconded - all present agreed. <p>To note the bank reconciliation at 31 March 2024</p> <ul style="list-style-type: none"> • Carried forward to the next meeting. <p><u>To review forecast</u> The current forecast was circulated before the meeting, there were no questions as all looked as expected.</p> <p><u>Direct Debits:</u> A list of the current direct debits was circulated before the meeting which have been reviewed.</p> <p><u>Staffing Committee:</u> The Staffing Committee (MP, MG & CR) have met to conduct the Clerk's appraisal.</p> <ul style="list-style-type: none"> • MP proposed to increase the Clerk's pay by one notch of the Clerks' Pay Scale; KO seconded – all present agreed.
<p>6.</p>	<p>Climate Action</p> <p>KO has potentially got 6 people interested in setting up a Climate Action Group.</p>

7.	Pavilion/OSH/Car Park/Toilet Block
	<p><u>Car Park Barrier</u> Examples of types of barriers and costs for each were circulated before the meeting. Option A: Alexandra 6m wide x 2.2m high = £4,199.00 plus VAT (fully fitted) Option B: Height Barrier as shown = £3,419.00 plus VAT (fully fitted) Both options were discussed at length.</p> <ul style="list-style-type: none"> • DR proposed to go with option A; MP seconded – all present agreed. <p><u>Legionella Checks</u> DR checked with Contractor G and asked to requote, but they have not replied.</p> <ul style="list-style-type: none"> • DR proposed to go with Contractor F which provided a more comprehensive package; MP seconded – all present agreed. <p><u>Internal Plans for OSH</u> A plan was circulated before the meeting. In MG's absence, MP read an update. The plans were sent out to three builders asking for a quote. They were told that we would be applying for a grant and that the deadline for applications was 2nd April. Only one quote was received back before the deadline. Unfortunately, that meant that MG was unable to proceed with the application as 3 quotes were required for the application process. MG has, however, discovered that there are other grants that we could apply for that would be appropriate for work to a village hall. With that in mind, and with some extra time to prepare to make an application, MG wanted us to consider whether we should include items like solar panels on the rear elevation of the roof, changing the light fittings to LED, and possibly upgrading the A/V system. That extra time also gave the PC time to consider the proposed plan from Jeremy and make any alterations we feel necessary, like increasing the opening into the store to allow the chair trolleys to fit through.</p> <p>The plan was received favourably. Suggested items for amendment included: wider doors for the storage area, LED lights, and solar panels/solar tiles on the rear part of the roof.</p> <p><u>Toilet Block – Toilet Doors</u> JH received 2 quotes for repairing the toilet block door which had been damaged by vandals. The first quote to repair the wooden door was £450.00; the second quote for a steel door was £628.00. DR raised issue re steel door possibly being too heavy and creating a health and safety issue re closure. DR asked JH to get a quote for a solid-core door.</p>
8.	Old Orchard Play Area/Playing Field Adult Gym Equipment
	<p><u>Old Orchard Play Area</u> One quote has been received from Playdale; CR to contact HAGS for a quote. Sovereign has declined to provide a quote.</p> <p><u>Adult Gym Equipment</u> Carried forward to the next meeting.</p>
