4.	Councillor Intervention
	Cllr Ellen Neville sent a report which was circulated to councillors before the meeting. Cllr Sean Holden: There is a meeting of the Environment and Transport Committee on Thursday and there will be a few important things discussed; the adoption of the new environment plan and the climate change adaptation, which shows the county council is paying attention. The Kent Plan Bee is being reviewed. The Leader of the council and one councillor were in Ukraine last week on a secret visit to show our

	<p>support for Ukraine. 1,642 hosts have taken in 3,871 Ukrainians in Kent which was good to see. The problems go on with unaccompanied asylum seeking children, there has been a ruling from the High Court that we have to make provision for them even though we recognise we are breaking our legal obligation where we said we could not take them as we have nowhere to put them and no money to pay for it. There really should be a national resolution for a national problem to deal with this.</p> <p>MG asked SH about the lack of response from KCC regarding flashing speed signs, SH is going to look into this.</p>
